

Dr Dambisa Moyo

Global Economist & Best-Selling Author

Edge of Chaos - Winner Take All – How the West Was Lost

Global Economy, Geopolitics, Financial Markets & Business

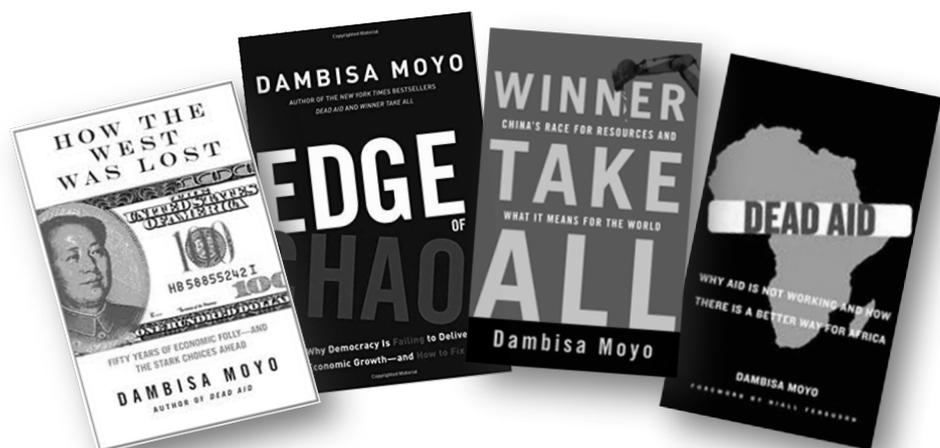

An Influential Global Economist Who Turns Economic Insights into Investible Ideas

Professional experience

- Dr Dambisa Moyo is a pre-eminent thinker, who influences key decision-makers in strategic investment and public policy and is respected for her unique perspectives, her balance of contrarian thinking with measured judgment, and her ability to turn economic insight into investible ideas.
- As an economist, her work focuses on the global economy, geopolitics and financial markets. Her work has taken her to over 65 countries and has been named by TIME Magazine as one of the “100 Most Influential People in the World”. She is also the author of four NY Times bestselling books.
- Dambisa has earned a strong reputation as a top-tier opinion former and trusted advisor on macroeconomics, geopolitics, and international business issues. She is a Board member of Chevron and 3M, and formerly served on others including Barclays, SABMiller Barrick Gold and Seagate.
- Dambisa was named as one of Time Magazine’s 100 Most Influential People in the World. She regularly publishes in international media, including the Financial Times, WSJ, Barrons, Harvard Business Review and is regularly interviewed on global TV networks, including CNBC.
