Ron Kaufman, author of *Up your Service*

Pleasure to work with someone with such an amazing mind. You are a unique human being and I feel privileged to have worked with you

Tom Peters, author and management guru

Omar is a ruthless optimist; he helps us quell doubts and deliver success

Omar Khan understands the leadership continuum and what makes people tick. I have personally experienced Omar's enthusiasm, intellect and expertise regarding leadership and successful organizational change, and have found his sessions and message to be strongly motivational and even invigorating. If you are in need of refreshing insight, or an energy boost, just spend two hours with him.
